FISCAL MEMORANDUM

HB 2221 – SB 3092

April 11, 2012

SUMMARY OF AMENDMENTS (014629, 016448): Amendment 014629 deletes all language after the enacting clause. Creates a Class A misdemeanor offense for a person 18 years of age or older who owns, manages, or otherwise operates a business or retail establishment, to knowingly allow a person 17 years of age or younger to engage in sexual activity or to engage in patently offensive simulated sexual activity on the property of such business or retail establishment or for a person 18 years of age or older to engage in the promotion of performance of sexual conduct of a person who is 17 years of age or younger on the property of such business or retail establishment. Specifies that the proposed legislation will not deprive a court of any authority to suspend or cancel a license, to declare the establishment a nuisance, or to impose costs and other monetary obligations if specifically authorized by law. Amendment 016448 deletes the provision that any conveyance of real or personal property used in the commission of a violation of this newly created Class A misdemeanor is subject to judicial forfeiture.

FISCAL IMPACT OF ORIGINAL BILL:

Increase State Expenditures - \$21,700/Incarceration*

FISCAL IMPACT OF BILL WITH PROPOSED AMENDMENTS:

NOT SIGNIFICANT

Assumptions applied to amendments:

- There will not be a sufficient number of misdemeanor prosecutions for state or local government to experience any significant increase in revenue or expenditures.
- A small increase in cases in the court system will result in additional state and local
 government expenditures for processing the cases and additional state and local
 government revenue from fees, taxes and costs collected. These expenditures and
 revenue are estimated to be not significant.
